Abstract. Type up to 500 words in the abstract, Use 12pt *Italic* Time New Roman for the abstract text within single-spaced lines and justified alignment. The text may be written in English (preferred), Portuguese or Spanish. **The abstract should accurately reflect the paper's content, including objectives, methodologies and concluding remarks.** The corresponding author (the speaker and the corresponding author should match) must send the abstract to the Congress secretariat before Feb 15th, 2016, identifying the file with the last name of the corresponding author followed by the session number (e.g. **Gonzalez_S02**). Abstracts can only be accepted on the understanding that they will be presented at the Congress. The author(s) must pay the registration fee before **June 17th, 2016** for the paper to be included in the proceedings of the congress. Please download the style files for MS-Word and LaTeX from the Congress Web Site. Final version of the abstract must be translated to Portable Document Format (PDF) before send it. The maximum file size is **2 MB**.

The document must be written within a standard paper size (8 1/2 x 11 inches, or 216 x 279 mm), using a printing box of 165mm x 228mm, centered in the page. Margins for the printing box are stated as follow: 54 mm at the top and the remaining sides are reduced to zero. Do not use either footnotes or endnotes.

All submissions will be peer reviewed, according to the criteria of the technical session coordinator.
